

## Tubo LED Essential 1200mm 25Watts, 600mm

El tubo LED essential es utilizado para reemplazar las lámparas fluorescentes T8. El tubo provee un efecto de iluminación natural para aplicaciones generales de iluminación con un importante ahorro de energía y protegiendo el medio ambiente.

### BENEFICIOS:

- Reduce los costos eléctricos gracias a un importante ahorro de energía.
- Larga vida útil, 25000 hs reduce los reemplazos reduciendo el costo de mantenimiento.
- El mejor cambio para el medioambiente, ya que no contiene Mercurio.
